VAIBHAV GHANGALE

Data Analyst

✉ vaibho27@gmail.com   📞 9921824568

👤 PROFILE

Having some crucial knowledge in Machine learning along with the knowledge of C++ and C programming languages. Skilled in power BI which is very important for the data visualization and presentation. Currently pursuing dream of mastering machine learning with eagerness to learn about analyst roles.

🎓 EDUCATION

B tech. EEE, NIT Karnataka
Surathkal, Karnataka

High school, Yashoda high school
Nagpur , Maharashtra

School, Vimal Tai Tidke Convent
Nagpur , Maharashtra

🧠 SKILLS

Microsoft tools
Microsoft Power BI

programing languages
C++, Python

Frontend skill
HTML, CSS, JAVASCRIPT

📁 PROJECTS

Loan Prediction Analysis, self project
To predict loan approval analysis using machine learning
I have explored various concepts like filling missing values, creating new attributes, normalization, cross validation, confusion matrix, etc.,

Major project- solar irradiation, ongoing-
To use solar energy as a source a high-quality time series data is essential for producing an accurate estimate of solar power generation. Machine learning model is use to predict and analyse the
solar irradiation.

📜 CERTIFICATES

BUSINESS ANALYST
internship at FINLATICS from 02-06-2023 to 02-07-2023

🧩 EXTRA CURRICULAR ACTIVITIES

stock marketing- where got to learn many aspect of trading

Have 1400 elo rating for chess in rapid section of chess.com

Participated in various tournaments as part of the Football team in high school.
